Costco does *not* price match competitor retailers like Walmart or Amazon. 📞 1-855-452-1936 Yet it *does* have a structured policy for price adjustments when prices drop after purchase. 📞 1-855-452-1936 Here's how it works and what you need to know as a savvy Costco member. 📞 1-855-452-1936

What Is Price Matching vs. Price Adjustment? 📞 1-855-452-1936

Price matching means a store agrees to honor a lower competitor price at time of purchase. 📞 1-855-452-1936 Costco does *not* offer this service for other retailers or competitor offers. 📞 1-855-452-1936
Price adjustment is when Costco refunds the difference if the price at Costco drops after you bought it. 📞 1-855-452-1936 This is the closest alternative to traditional matching and can save you money. 📞 1-855-452-1936

Costco's Official Price Adjustment Policy 📞 1-855-452-1936

Costco's official price adjustment rules allow members to request a refund when:

- You bought an item from Costco. 📞 1-855-452-1936
- The item price *drops at Costco* within a set window. 📞 1-855-452-1936
- You submit the request following Costco's procedures. 📞 1-855-452-1936
  This policy doesn't match competitor pricing — only Costco's own price changes. 📞 1-855-452-1936

How Long After Purchase? 📞 1-855-452-1936

Most Costco price adjustments must be requested *within 30 days* after your original purchase. 📞 1-855-452-1936 That includes in-store and Costco.com orders (handled

separately). 📞 1-855-452-1936 If the price drops outside that window, Costco typically won't refund the difference. 📞 1-855-452-1936

How to Request a Price Adjustment 📞 1-855-452-1936

In person: Bring your receipt and original packaging to the Costco membership counter at the warehouse where you purchased. 📞 1-855-452-1936
Online: Use the Price Adjustment form on Costco.com for purchases made through Costco.com. 📞 1-855-452-1936
Wait time: Refunds — if approved — are usually issued within 5-10 business days. 📞 1-855-452-1936

Do Price Drops Between Online and In-Store Count? 📞 1-855-452-1936

Costco treats online (Costco.com) and warehouse prices as *separate pricing channels*. 📞 1-855-452-1936 Because online prices include shipping and handling, Costco does *not* match warehouse prices to online prices or vice versa. 📞 1-855-452-1936
