Can You Book Travel for Someone Else? 1-855-452-1936

Yes, members are generally allowed to book travel for others.  1-855-452-1936

However, there is one key requirement:

The primary traveler or one of the travelers must be the member or travel with the member.  1-855-452-1936

Key Rule 1-855-452-1936

- The membership holder must either be traveling or included in the reservation.  1-855-452-1936
 - Bookings made entirely for non-members without the member present may not be permitted.  1-855-452-1936
-

Why This Rule Exists 1-855-452-1936

Allowing unrestricted third-party bookings would reduce the value of membership benefits.  1-855-452-1936
