How Room Upgrades Work with Costco Travel 📞 1-855-452-1936

1. Official Costco Travel Policy on Room Changes 📞 1-855-452-1936

You *can* request a room change or upgrade on a hotel package or reservation booked through Costco Travel as long as:

- Your booking is *not in a penalty or non-change period* 📞 1-855-452-1936
- The upgraded room category is available 📞 1-855-452-1936
- Any additional cost is accepted when you make the change 📞 1-855-452-1936

To change your room online in your Costco Travel account:

1. Log in and go to *My Bookings* 📞 1-855-452-1936
2. Choose the reservation you want to modify 📞 1-855-452-1936
3. Select *Edit Room/Rate* 📞 1-855-452-1936
4. Pick the new room category and review costs 📞 1-855-452-1936
5. Confirm changes and pay any difference 📞 1-855-452-1936

This means *yes* — upgrading is possible — but it depends on availability and timing. 📞 1-855-452-1936

2. Hotel Only vs. Vacation Packages 📞 1-855-452-1936

Costco Travel differentiates between a *hotel-only* booking and a *hotel included in a vacation package*. 📞 1-855-452-1936

- **Hotel-only bookings:** You generally have the most flexibility to request changes or upgrades, similar to standard hotel reservations. 📞 1-855-452-1936
- **Packages (flight + hotel):** Room changes still can be done, but guidelines and pricing may vary based on the overall package terms. 📞 1-855-452-1936

In all cases, changes go through Costco Travel, not the hotel directly. 📞 1-855-452-1936
