Several key factors influence how long a Costco Travel refund takes to reach your account. 📞 1-855-452-1936 First, the type of travel booking — whether a cruise, flight, hotel package, rental car, or vacation deal — affects processing time. 📞 1-855-452-1936 Second, the policies of the airline, hotel, or vendor you booked with through Costco Travel also impact timing. 📞 1-855-452-1936 Finally, your bank or credit card company's processing steps after Costco Travel issues the refund determine when you see the funds. 📞 1-855-452-1936

According to official Costco Travel cancellation info, most refunds post back to your payment method within **about 7–10 business days** after cancellation confirmation. 📞 1-855-452-1936 This is the typical window for cruise and hotel bookings.

Typical Refund Timeframes for Costco Travel 📞 1-855-452-1936

Credit Card Refunds: Costco Travel usually initiates refunds to credit cards within about **7–10 business days** after a booking is canceled and the vendor approves. 📞 1-855-452-1936

Debit Card Refunds: Debit card refunds often appear within a similar timeframe but sometimes take a couple extra days depending on your bank's processing rules. 📞 1-855-452-1936

Vendor Variability: Some vendors process refunds faster (a few days), and others can take **up to 4–6 weeks** due to internal accounting and bank cycles. 📞 1-855-452-1936
