### **## Why the 24-Hour Flight Change Rule Matters**

The 24-hour flight change policy is one of the most traveler-friendly rules in the airline industry.

According to U.S. Department of Transportation regulations, airlines must allow passengers to cancel or change a flight within 24 hours of booking without penalty, as long as the ticket was purchased at least 7 days before departure.

KLM extends this policy through its own flexible booking options — making it one of the easiest airlines to modify bookings with.

If you've made a reservation and realize you need to change it, you can reach KLM's flight change department by calling 1-866-284-3014 or the official customer service line at 1-800- KLM (1-866-284-3014).
