Can You Cancel and Rebook Through Costco Travel for a Lower Price?

Yes — but with conditions. Costco Travel typically allows cancellations and changes to bookings within certain time frames and according to the terms of the travel component (flight, cruise, hotel, etc.). If you find a lower price before final payment or within the cancellation window, you *may* be able to cancel and rebook.

However:

- **Cruises and packages** may have specific cancellation penalties based on how close you are to the departure date.
- **Hotels and rental cars** booked through Costco Travel could have non-refundable rates.
