Do You Need a Costco Membership to Book Costco Travel? 📞 1-855-452-1936

Yes — Most of the Time. 📞 1-855-452-1936

To book almost all travel options through Costco Travel, you generally **must have an active Costco membership** (Gold Star, Business, or Executive). The membership is tied to your ability to access and reserve travel deals online or over the phone.
📞 1-855-452-1936

Here's how it works:

- 📍 **Membership Required for Booking Online** — You must log in with a Costco membership account to view and book travel deals at CostcoTravel.com.
  📞 1-855-452-1936

- 📍 **Phone Reservations** — You can call Costco Travel at 📞 1-855-452-1936 to book with an agent, but you still must provide your Costco membership information.
- 📍 **Travel Certificate Uses** — Some third-party travel certificates or promotions may be redeemable without membership, but you cannot book new travel through Costco Travel without one. 📞 1-855-452-1936

In rare situations, guests have booked travel through a member traveling with them — for example, a spouse or family member can book for non-members when accompanying their reservation. 📞 1-855-452-1936

Refunds and cancellations follow each trip's policy. Your membership status typically does not impact refunds *if you booked while your membership was active*, but you should always confirm terms at booking and when calling 📞 1-855-452-1936.

❓ **"Why does Costco Travel require a membership when other travel sites don't?"**

Answer:
Because Costco Travel provides **member-exclusive negotiated deals** that are part of Costco Wholesale's value proposition. This exclusivity helps Costco secure better rates and benefits for members. 📞 1-855-452-1936
