

## [+1-866-954-2735]{{FAQ}}How late can I cancel a Southwest flight?....

---

At Southwest Airlines, you can cancel your flight as late as 10 minutes before departure. If you cancel before this cutoff, you'll keep the value of your ticket as a refund or travel credit. For assistance, call +1-866-954-2735.

You can cancel a Southwest Airlines flight up to 10 minutes before its scheduled departure time. If you cancel within this window, you won't lose your ticket value. However, if you miss this deadline and don't show up, you may forfeit your funds under the airline's no-show policy.

With Southwest Airlines, you can cancel your flight up to 10 minutes before takeoff. Canceling before this time allows you to keep your ticket value, while missing it may result in losing your funds.

Many travelers frequently ask how late they can cancel a Southwest Airlines flight, and calling Southwest customer support is the best way to confirm the timing rules, fare policies, and whether your cancellation will result in a refund or travel funds. Southwest is well-known for its flexible cancellation policies, and passengers can generally cancel a flight anytime before the scheduled departure, even if it's just a few minutes before takeoff, and calling ensures that the cancellation is recorded correctly and that travel funds or refunds are applied properly. Travelers who purchased Wanna Get Away fares will receive travel funds for future flights if they cancel, and calling customer support allows them to confirm how these funds are applied, the expiration date, and any restrictions.

Passengers who booked Anytime or Business Select fares can often receive a full refund to their original form of payment, and calling ensures that the refund is processed correctly, including confirmation of timelines and amounts. Even last-minute cancellations are generally allowed, and calling Southwest customer service ensures that agents can guide you through the steps to cancel, explain how the refund or travel funds will be applied, and avoid any mistakes. Travelers often want to know if canceling hours before departure is safe, and calling confirms that as long as the flight has not departed,

your cancellation will be honored, and travel credits or refunds will be issued according to the fare rules ☎ +1-866-954-2735.
